

Proposed MA-RPC By-Laws Changes

I. In section III of the by-laws, first paragraph, change "The MARPC shall select members to fill the following offices for terms of three years." to "The MARPC shall select, from among its then-current members and alternates, individuals to fill the following offices for terms of two years."

Discussion: This change reflects BOTH of the non-controversial items we have been discussing, and I can't find any place in the last meeting's minutes that we actually propose the change, although we did discuss it.

II. [New Proposal] In section III of the by-laws, second paragraph, change " A person may serve as Chair for no more than two consecutive terms" to "A person may serve as Chair for no more than three consecutive terms."

Discussion: This change, assuming #I above is approved, leaves the maximum time a person can be chair [consecutively] at six years, duplicating the amount of time possible under the present by-laws.
